

OUR MISSION

Stable Hands' mission is to improve the physical, mental, and social health of people living with disabilities through therapeutic horsemanship.

OUR VISION

Stable Hands is well known as a PATH Premier Accredited Center for therapeutic horsemanship, where clients of all ages and disabilities enthusiastically participate in the equine assisted activity and therapy programs offered.

THERAPEUTIC RIDING

Our carefully selected horses and specially trained volunteers assist our certified therapeutic riding instructors in providing a challenging activity in a safe environment. Our riders and horses are carefully matched to enable each rider to experience the benefits of therapeutic horsemanship and to work towards their goals. Our lessons are held in an outdoor facility on private property. Horsemanship activities in the great outdoors provides individuals with disabilities, access to Nature and all the benefits of fresh air, sunshine and breezes.

HORSES *helping* HEROES

Horses Helping Heroes is a program of Stable Hands where military Veterans who have sustained a physical or mental injury, illness or wound can recover strength and confidence while developing horsemanship skills. Horses helping Heroes is built on the foundation of Veteran peer support and utilizes the camaraderie between Servicemen and women to provide a healing environment. Trained Veteran volunteers assist with each session. We operate from a beautiful outdoor facility located on private property. Horsemanship riding skills are taught in mounted and dismounted sessions by PATH certified riding instructors.

VOLUNTEERS

Volunteers are the backbone of Stable Hands and are essential for the safe, effective operation of our therapeutic horsemanship program for children, adults and Veterans.

Some of the roles of a volunteer include:

- Grooming & Tacking up horses
- Warming up horses
- Side walking with riders who need special assistance
- Horse leading for riders who need special assistance
- Gate keeping & Arena setup
